

Resort Village of Chitek Lake

March 2021 Newsletter

Resort Village of Chitek Lake Welcomes Spring!

After an unprecedented Winter, Spring is on the horizon and the Council and Staff of the Resort Village of Chitek Lake are excited for the season ahead.

Greenland Waste Recycling

We would like to start by thanking all residents for your recycling efforts. The village has received a rebate in recognition of the efforts we make as a community to recycle items that can, and should be recycled by sorting our garbage appropriately.

Friendly Reminders

As Spring approaches, there a few reminders we would like to provide our community with:

- *Dog Licensing – Annual Dog Licensing Fees are \$5.00 and every dog owner is required to have one in the Resort Village. If you do not have one yet, please call or stop by the office.*
- *Please ensure house/cabin numbers are visible on the front of the structure as an internal control for our Septic Department.*
- *If you have both a septic pit and water holding tank that look alike, or have a two-sided tank, please mark this for our Septic Department.*
- *Please ensure regularly monitoring of your septic pit. At 75% capacity, please contact the village shop at (306) 984-2358 to arrange a pump out. If you want to be put on a regular schedule, please contact the village shop or the village office (306) 984-2358.*
- *Please ensure your boat dock has a visible number, and a “Private Dock” sign should you not want any trespassing onto your dock space.*
- *Boat Dock New Builds, Repairs, etc. – Please note that if your boat dock build or repair will affect or alter the shoreline in ANY capacity, approval from the Water Security Agency is required. Permit packages for this are available at the village office.*
- *All users of the DNR Compound have until March 31st, 2021 to remove their stored belongings.*
- *If you have not done so already, please contact the village office to update your contact information for our new e-filing system (including change of address, phone numbers, email, etc.)*

Septic Bylaw Reminder

Please again be reminded that there is an updated Septic Bylaw 152/2020. The changes made are under Section 2(d) “Once a household has received 5 “dips”, they will be charged \$30 per dip.”

Chitek Lake Bush Buddies

We would like to formally congratulate the Chitek Lake Bush Buddies on selling out tickets for their rally this past season despite the different year and its challenges – WAY TO GO!

Summer Positions Available

The Resort Village of Chitek Lake is looking for both a Summer Student Coordinator as well as Seasonal Groundskeepers / Summer Students for the 2021 season. For more information, please refer to our Website, Facebook page and SaskJobs website.

Old Fashioned Easter Jelly Bean Count!

During the second week of March, we are going to be posting a video of the “Jelly Bean Jar” and invite everyone to call in, email, or DM the village office to take a guess at the number of jellybeans in the jar! (This is COVID-safe and pre-numbered). The winner will receive the jar of jellybeans as well as cookies from Down2Cookie – check them out! Down2Cookie supports Down Syndrome with 10% of all proceeds going towards research efforts. These aren’t just your average cookie...

Sunshine Senior’s Group Grant Awarded \$5,000

The Resort Village of Chitek Lake has been awarded a grant of \$5,000 for the Sunshine Seniors Group to be used towards Community Hall rental fees. Due to Covid and the circumstances surrounding it, the Seniors were unable to do their typical fundraising activities and take part in any events that would raise money for their group. As our Seniors Group is an integral part of our community, we are very happy and pleased to announce the awarding of this grant from the New Horizons for Seniors Program.

What do trees feel in spring? Releaf.
