May 2021 Newsletter

Happy Late Spring / Early Summer!

As Spring is coming to a close, we hope everyone is gearing up for an awesome Summer season in the village!

As we head into June, we want to remind everyone that Spring refuse will be picked up on Wednesday, May 26th. Please leave refuse bagged at the front of your yard so it is visible to our village staff from the street. We take pride in keeping a neat and tidy community and encourage residents to maintain their properties keeping them clean, sanitary and safe.

The village landfill and transfer station will be operated on the following days and times during June, July & August:

Wednesday 1pm to 4pm

Saturday 9am to 12pm

You are not required to make an appointment.

Please refer to the Landfill & Transfer Station Accepted Items & Fees document posted on the village website. Payment methods accepted include cash, cheque or e-transfer.

Is there a burnt out streetlight in your area? This is a reminder to please report any streetlight issues to SaskPower. Simply log on to the SaskPower website, click on Report Streetlight Troubles >

Report Streetlight Outages > Enter postal code S0J 0L0 > once loaded, click on the streetlight on the village map. This information goes directly to SaskPower and ensures it is being looked after in a timely manner.

The Story of Chitek Lake

The village is looking to put together a history book about Chitek Lake as many municipalities have done. We are asking members of the community to send in submissions of memories, historic facts, family heritage facts, photos, childhood memories, recipes - anything you feel makes up an important part of our community. We ask that submissions be sent in by October 31st, 2021. Feel free to contact the office for more information!

Bob's walking down the street when he sees a kid sitting on his front porch jigging in a bucket.

As he reaches the kid, Bob stops for a better look. The bucket's empty.

He asks the kid, "What are you fishing for, son?"

The kid looks up and says with a shrug, "Suckers mainly."

Bob smiles and asks, "Caught any yet?"

"Yep," the kid replies. "You're the tenth."
